

BETTENDORF

October 11 & 12, 2001

The Iowa Schools Buildings & Grounds Association is coming to Bettendorf on these dates for its' fall quarterly meeting and invites you to attend. This is the first time we have been in Bettendorf and it promises to be a very educational and entertaining meeting.

We will be headquartering at the Holiday Inn of Bettendorf. For those of you coming into Bettendorf on 1-80, turn south on 1-74 and get off at the Middle Road exit. The motel is located on the east side of this exit.

Reservations Number: 1-800-465-4329

Room Rates: \$65.00 for either a single or double.

Please make your reservations as soon as possible so the motel will know how many rooms to reserve.

Since this is the first time in Bettendorf and we have not been to the eastern part of the state for some time, let's make this a great meeting by having a BIG turnout. The success of our association depends on the participation of all of our members.

Names of School District People Attending
